

Part Number: PIM-USO-34

PIM 3 Way Universal Stand Off

General Specifications:

The Izzy PIM Mitigation line of products provides a low passive intermodulation methodology to attach and secure cable in areas with high PIM risk interference. The Universal three way stand off can be used to secure snap in hangers or cable support blocks.

Material Specifications:

UV resistant and stable glass filled Nylon 6-6.

Operating temperature from -40 degrees Celsius to positive 70 degrees Celsius

UV black Nylon 6-6

System PIM performance

IM3<-100dBm when tested in accordance with IEC 62037-8, near field test, 2 x 20W test tones, while subjected to dynamic stimulus.

Product Application

Mount using a traditional bolt method or use two Izzy Acetal Cable Straps to mount to tower (Part number PIM-IZ-16-250)
